Any company who sends their entries directly to HQ will not be judged.

Fun and Games - Rules and Games are enclosed. A few changes have been made to the games for this session and a copy of the rules have also been included in the pack for those who are new to the competition or for those who would like to be reminded again. Final will take place on Saturday 25<sup>th</sup> January 2014 at 10-30am in ----- Belfast Battalion.

Anchor Boy Challenge - again we thank you for taking part in this competition. It is great to see new companies each year taking part. Please encourage other companies within your Battalion to join in the fun. Boys can practice as much as they want. All we ask is that you use an officer or leader from another section to observe the boys when they are completion for the competition and record the scores.

#### Anchor Boy Project 2013 / 2014

Allergy NI is a local charity formed in 2005 to support children and families across Northern Ireland with serious and life threatening allergies. In 2009 Allergy NI opened an Allergy Support Centre, the only one of its kind in the UK and Ireland where people can call in and receive free information and advice. The funds raised by Anchor Boys will help Allergy NI continue to support children, helping them to build confidence and take ownership of their allergies in order to keep themselves safe through workshops etc.

Did you take part in last years project for "Eilish Degan Cancer Foundation" Is so can you please send your project money to BB HQ by Friday 20<sup>th</sup> August so it can include with the cheque presentation.
